

## **House Interior Design**

Kia Designs brings you impeccable interior design solutions for your dream home. Ever since our inception, we have been endeavouring to offer high-end and stunning house interior design to our valued clients. Under the direction of an award-winning designer, we strive to offer spellbinding and utilitarian interiors. Whether you want to change the look of your bedroom or are planning a complete makeover of your kitchen, we can be your ultimate destination.

We are known for our extremely dedicated teamwork, all-inclusive service and high success rate in the field of interior design. Our designers put in their best efforts to make all of your interior design dreams come true. With complete attention to the style and preferences of our clients, we concoct magical interior design solutions for your home.

### **We Transform your Imagination into Reality**

Our house interior design services do not just stop at offering consultation services. We conduct a detailed site survey to assess the most suitable design solution for your home. Our designers help you to choose the right furniture and fixtures, while keeping in mind proper use of space. With our help, you can have a home with the required space for movement and unhindered flow of both light and air. Starting from wiring to lighting set-up, you can trust us for the perfect creation of the home you have always desired.

We work in close collaboration with some of the most renowned contractors and suppliers in the market. Our rapport with a wide network of third parties helps us to design interiors that catch the eye at the first look.

### **Contact us**

Call us for a free consultation. Our designers can assist you to make the most appropriate house interior design decisions. If you want further information, you can subscribe to our Investment Guide for a better understanding of our work process.
