

Home and Garden DIY

A1 Plant Sales Ltd. presents you with an unbeatable range of handy home and garden equipment. With an aim to simplify your life with useful products, we maintain a sizeable inventory of home and garden DIY equipment.

Our Home and Garden DIY Products

You can use our products both for your interiors and for tending to your garden. Besides everyday use items like mobile phone covers, LED headlights, batteries and lock & key sets, we also offer glass and tile scrapers, pipe and hose cutters, adjustable basin wrenches and opening keys for radiator bleeding screws among other products.

Tested to deliver the best results and offer lasting performance, our home and garden DIY tools have earned us optimum trust and confidence over the years.

Utility of Home and Garden DIY

Every time a garden pipe needs to be shortened or a new lock set needs to be installed on your doors, it can be expensive and time-consuming to call a tradesman. To save your hard-earned money and do these simple tasks on your own, you should purchase home and garden DIY products.

As far as our service quality is concerned, we endeavour to put in our best efforts for our valued clientele.

To know in detail about our home and garden DIY products, you can call us. You may also send us an email stating your queries. Our experts can help you out with their in-depth knowledge.
